PROFILE

Passionate Visual Designer & Video Editor with expertise in Adobe Photoshop, Illustrator, Premiere Pro, and Figma. Skilled across the full creative pipeline — logos & branding, professional video editing, and user-friendly UI/UX prototypes. I blend creativity with technical precision to deliver work that looks great and communicates effectively.

EXPERIENCE

Sutherland Global Services — Amazon SPS

2024 - 2026

Assisted Amazon sellers with account management, product listings, and order fulfillment. Resolved catalog errors, shipping delays and payment queries; guided sellers through Amazon policies and compliance while documenting cases. Skills: communication, problem-solving, e-commerce workflows, Amazon tools, multitasking under pressure, team collaboration.
